EMPLOYMENT

Illustrator / Designer | CSA Design | 2010 - Present

Worked on over a thousand images (originals and derivatives) for the CSA Images site, worked on front-end coding, back-end coding and assisted with design for a number of CSA and client websites.

Comics | Ask Magazine | 2015

Wrote a four-page historical comic for the July / August issue of Ask magazine about Manjiro, one of the first Japanese people to come to the United States.

Comics | Uncivilized Books | 2013

Wrote and illustrated Over the Wall, a creator-owned work, which was subsequently published by Minneapolis-based Uncivilized Books.

Illustration | Hamline University | 2011

Created a spot illustration for the St. Paul based Hamline University's Alumni magazine, depicting a scene inspired by a new class focused on video-games.

Internship | Periscope Studios | 2009

Assisted with various tasks around the Portland, OR based studio, including page layouts for a large client.
